### LION SUPPORTS 25TH ANNUAL SEATTLE FIREFIGHTER STAIR CLIMB

Recently, LION sponsored the Firefighter Stair Climb to support the Leukemia and Lymphoma Society. In addition to donating to the cause, LION's Will Antunes participated as a gear inspector, ensuring participants' Personal Protective Equipment (PPE) was approved for the event. LION would like to thank and congratulate all who participated in the event and donated to this cause.

Each year participants from all over the world participate in the Firefighter Stair Climb to support the Leukemia and Lymphoma Society. This year more than 1,900 firefighters climbed the 1,356 steps of the Columbia Center in downtown Seattle in full NFPA 1971 certified PPE, including SCBA. While some individuals race for time, others are on a mission to simply complete the 69 flight, 788-foot ascension to the observation deck that overlooks the city. This year's top time was Ten Minutes and 50 Seconds.
